Silver Stars History

The James Bowie High School Silver Stars Drill Team has brought pride and acclaim to the South Austin area for 33 years. They are known as innovators in the dance community, having flawless dance technique, impeccable precision, and incredible style. The Silver Stars have won countless awards and titles, traveled the United States performing and competing, while remaining at the forefront of their craft.

Beginning in 1988, the Silver Stars have received top honors in the categories of jazz, lyrical, contemporary, kick, modern, open, pom, and more. Some of their many recognitions include: State Champions, Best of the Best, Winner's Circle, Best in Class, Super Sweepstakes Winners, and Best Overall Team. Their soloists have placed 1st Division and have taken top honors as State Champions and Overall Finalist Winners.

The Silver Stars have taken their talent far and wide across this great country. Some of the places these ladies have performed and/or competed include: Macy's Thanksgiving Day Parade in New York City, Hawaii, Disneyland in California, Disney World in Florida, Chicago, and in front of the Lincoln Memorial in Washington DC. On these trips they have taken master classes with some of the top teachers, choreographers and dancers in the industry. Wherever they go, they leave a lasting impression.

The Silver Stars have had only four Directors in their 33 years. Ms. Mary Beth Kepper was the creator and founder of the organization in 1988. She was a graduate of The University of Texas, a member of the Longhorn Band and a Drill Team Director for thirty years. She was the recipient of the Texas Dance Educators Association Director of the Year, Lifetime Achievement Award and the Hall of Fame Award. Mrs. Jennifer Dawson was the second Director for the Silver Stars and was a former student of Ms. Kepper's. She was a Kilgore College Rangerette Officer and a graduate from the prestigious Ann Lacy School of American Dance and Arts Management at Oklahoma City University. She served as the President of the Texas Dance Educators Association and was a finalist for Director of the Year. The third Director, Mrs. Courtney Allison was a graduate of Texas Woman's University with a Bachelor of Arts in Dance Performance. Mrs. Allison spent 18 years as a choreographer, clinician and adjudicator across the United States, Canada and England. The current Director, Ms. Leanne Bilnoski, was a Kilgore College Rangerette and graduated from The University of Texas at Austin with a Bachelor of Arts in Theater and Dance.

The Silver Stars continue to bring pride, grace and excellence to Bowie High School with their commitment to honoring the traditions of the past, while continuing to push the boundaries of artistry into the future.

The Legacy Alumni Organization was founded after the 30th Line Performance in 2017. The Legacies provide support for the current team by writing encouraging letters, giving gifts, and attending the Silver Stars performances. The Silver Stars are so grateful for the support they have received over the course of the years.

Silver Stars Varsity Drill Team Expectations

When a student becomes a member of the James Bowie High School Silver Stars, their entire family becomes a part of an extended family that include supporters, spectators, and volunteers. Being a Bowie Silver Star is one of the highest honors at James Bowie High School, as the Silver Stars are a representation of our student population, our school district, and our community. There is an incredible demand on the Silver Stars and their family that requires time, financial, and emotional responsibilities.

Time: Family schedules will sometimes have to be adjusted to accommodate the schedule and commitments of the Silver Stars Organization. This is a TEAM activity, meaning each member must be present for rehearsals and performances to run smoothly and effectively. Parents are asked to volunteer their time in order to facilitate performances, social events, and fundraising. Most importantly, it is imperative that families show their support of their dancer by attending the football games, booster meetings, and performances.

Money: Every effort is made to keep expenses reasonable, however, there is a considerable financial responsibility for each member. In an effort to offset some of the costs associated with being a Silver Star, the Silver Star Booster Club provides opportunities to fundraise, helping to defray costs. Each performer and their family must support these events by providing their time and talents, as well as encouraging the community to participate as well. Each team member directly benefits from these events.

Emotional Investment: Every dancer will have their triumphs and disappointments. With each moment is an opportunity for personal growth from an individual standpoint and a team standpoint. Celebrate your Silver Star's personal triumphs, as they have worked hard to achieve them. Be patient with them when they are disappointed, encourage them to ask for feedback, and recognize that with every moment of disappointment comes a wonderful opportunity for growth and reflection. Individual communication is paramount to the team's success.

Year-Round Commitment: The Silver Stars Organization is a year-round commitment. Once a student makes the team, it is expected that they will serve the entire year. Should they leave the team for **any** reason, their membership will be void until the next Silver Star audition. If a Silver Star dis-enrolls from James Bowie High School, they are no longer a Silver Star and can re-audition when Silver Star auditions are held the following school year. The expenses for Silver Stars are budgeted a year in advance, if your student decides not to continue in the Silver Star program after the first two weeks of school or is removed at ANY time during the school year, they are obligated to pay the full Fair Share amount for the entire year.

If you are to become part of this organization, you and your family are expected to represent the Silver Stars organization to the best of your ability. Your words and actions should reflect positively for each and every Silver Star dancer. As a large and growing family, we respect everyone's individuality and encourage an environment free from judgement. Always consider the well-being of the team and what is best for the organization. We must be willing to work together for the greater good.

"Success is peace of mind which is a direct result of self-satisfaction in knowing you did your best to become the best you are capable of becoming."

John Wooden

Please reference this handbook. It is designed to be used as a guideline to make the Silver Stars Team the best it can be. Common sense and good judgement will be used when events NOT covered in the handbook arise. It is our hope that the experiences taught within the Silver Stars organization are life-long, rewarding lessons that will resonate with these students long after they graduate from Bowie High School.

Maintenance of Membership

Grade Requirements: Grades will be checked each six weeks during the full term to determine if every member is eligible to remain on the team.

1. In accordance with UIL "no pass/no play" rules, any member failing a course (below a 70) will be ineligible for 6 weeks unless the student gains eligibility after 3 weeks, by passing ALL of their classes with a 70 or above. During that time the member will dress out and participate in all practices and events, but may not perform in any pep rallies, games, parades, performances, etc. ***Pre-AP and AP classes will be waived upon the completion of the waiver form which can be picked up from the Directors.*
2. If a member fails the six weeks reporting period two consecutive times in any cumulative year then they will be removed from the Silver Stars program for the remainder of the year. Special cases will be decided by the Directors.

Grade Probation – Failure:

1. Probation will last for a period of 3 weeks (*or 6 weeks if eligibility is not regained*) for the date assigned, during which time, the member will not perform as a member of the group. However, they must attend all practices, events, and fundraisers with the group until eligibility has been regained. The member must continue to dress out in correct dance attire while on probation.
2. A member who is placed on grade probation two consecutive times within the current school year will be removed from the team.
3. Any officer who is must be placed on grade probation will relinquish their officer position and cannot regain the officer position for the remainder of the school year.

Attendance Policy

In order to maximize rehearsal time, a strict attendance policy must be in place. ***As a Silver Star, you have an obligation to your fellow teammates to:***

- Be able to attend ALL scheduled rehearsals before and/or after school, nights, weekends and summer. **MUST ATTEND LINE CAMP IN JUNE IN ORDER TO BE A SILVER STAR.**
- Be at school the day of a performance.
- Attend additional rehearsals called by the Directors as deemed necessary for the quality of the performance.
- Agree to remain the entire length of a function unless prior arrangements are made with both Directors.
- Understand that work-related absences are unexcused.

- Attend games in uniform whether performing or not.
- Sit in a designated area for football and basketball games as a self-contained unit and serve as a spirit leader.
- **Accept that if they are tardy or absent from a rehearsal during the week of a performance they may be replaced or cut from the dance piece.**
- **Contact BOTH Directors via email AND assigned Officer by phone, or in person, in advance of an absence.**
- Never miss a field practice during Football season.
- Never miss a Burger practice during Contest season.
- Never miss monthly ballet classes.
 - While we understand that these things occur, we still want the Stars to get their monthly ballet training. All girls who miss more than 30 minutes of ballet (for any circumstances), will need to make up the class on their own. They will need to submit their dance hours within 30 days of the missed class. This will give the girls at least a month to get their hours made up on the off chance that they need to miss ballet that morning.
- All Silver Stars must abide by the Bowie High School attendance policies.

“To be early is to be on time, to be on time is to be late, to be late is to be wrong”

Absences and tardies will be excused in the following cases – please notify the Directors IMMEDIATELY

- Medical emergency or personal injury
- Death in the family
- Religious holiday

Examples of UNEXCUSED absences/tardies include, but are not limited to:

- Work
- Oversleeping
- Transportation not arranged
- Anything deemed unexcused by Bowie Administration

Appointments should not be scheduled during rehearsal times, performances, contests, or competitions. Unless they are an emergency, they are unexcused. Making up tests and other school work must be done on your own time and not during rehearsal.

Injury and Illness

When an accident or injury occurs it must be reported to the teacher in charge. The teacher will then report it to the school nurse and any other necessary authorities. Proper medical referrals will be made when necessary.

Transportation and Student Behavior

Bus Transportation

The Austin ISD's Student Behavior Code applies equally throughout the District, regardless of where the incident occurs. Inappropriate behavior on a bus or school trip will be treated with the same level of scrutiny as inappropriate behavior in the classroom and will lead to appropriate school consequences as spelled out in the Behavior Code and/or suspension or termination from bus riding.

- For safety, there are additional policies that apply to bus travel.
- Be on time.
- All Silver Stars are expected to use the busses when provided, both to and from events.
- The Silver Stars will travel as a unit on all trips. If a Silver Star has a good reason to return from a trip by other means of transportation, the student must submit a written permit or email to the Directors, signed by the student's parents/guardians. This permit must be provided **24 hours in advance. The parents/guardians must see the Directors at the time of departure in order to authenticate the note.**
- Students will not touch or hang onto the bus in any manner before boarding or after discharge.
- An adult chaperone will be on each bus.

- No one except Directors, Silver Stars, Escorts and chaperones will be permitted on the bus.
- Students will be held responsible for any destruction or vandalism to the seats, windows, or bus equipment.
- No glass containers will be allowed on buses.
- No animals or pets are allowed on the bus. Objects that the driver deems dangerous to other riders will not be allowed on the bus.
- Throwing anything or hanging arms/heads/legs out of the window is prohibited. Keep hands, feet, and objects to yourself.
- No flash photography is allowed during team transportation.
- Buses are to be treated with care and all trash is to be picked up before exiting the bus. Keep the bus clean!
- Talking must be limited to talking, no yelling or screaming, as this distracts the driver. No extreme noises will be tolerated. Any music devices will be listened to with personal headphones.
- Students must be quiet when the bus approaches and crosses railroad tracks.
- Follow bus driver's directions at all times.

Day/Overnight Silver Star Trip Behavior

Silver Star trips are school sponsored and therefore also fall under school policy and rules. Only EXEMPLARY conduct will be acceptable from the Silver Stars and chaperones when at a football game, day trip, or overnight trip. Silver Stars will be polite and courteous to other teams, educators, and anyone they encounter. Inappropriate and overly boisterous behavior will not be tolerated by any Silver Star at a contest, day trip, or overnight trip. This includes the hotels used for overnight trips. There will be NO smoking, use of drugs, alcohol, or tobacco at any time at any Silver Star or Austin ISD sponsored function. Silver Stars will be given as much free time as is consistent with the educational intent of the trip. Students must return at the appointed time. No one is to leave the group for any reason, until properly dismissed by the Directors.

Parent Transportation of Students

At times, parents will be asked to volunteer their time to help transport students to or from an event. Parents are asked to wait until all students are accounted for and then proceed in a caravan to the event. This ensures all of our students are together and safe for the duration of the ride. At no point should the caravan pull over, unless there is an emergency. If one car pulls over, then everyone in the caravan pulls over.

Staying Up-to-Date (Handling Forms)

Students are responsibly for taking home forms they receive from the Silver Stars Directors and Boosters. These forms should be filled out in a timely manner and returned as soon as possible to the designated person or area near the Directors office.

Much of the information will be on the Silver Stars website, www.silverstars.org and financial accounts on, www.charmsoffice.com. The calendar is on the Silver Stars website, as well as monthly calendar updates will be sent out. The Silver Stars will sign up for 'Remind' texts, to keep the team 'in the know' should a change or adjustment in schedule be necessary. It is each individual's responsibility to check your email and the website regularly for new information.

Silver Star Code of Conduct

The administration, faculty and staff assume that secondary students are mature, behave responsibly while at school, and that all discipline manners can be handled in a calm and reasonable manner. In order to maintain an atmosphere conducive to learning, certain standards of behavior are necessary. Standard procedures for disciplinary infractions will be enforced fairly, promptly, and equitably to every student. In order for you to know what standards of behavior are expected, the following information is provided.

- Students will be expected to have the proper frame of mind prior to and during rehearsals and performances, avoiding inappropriate behavior.
- Students will be prepared and on time for class and rehearsal.
- A portion of the Drill Team activity is somewhat militaristic. Therefore, it is expected that students be aggressive and rigorous in rehearsing and performing the drill team fundamentals.
- Food, gum, or drink (with the exception of water) is NEVER permitted in a rehearsal.

- **Knock before entering the Directors' office. No student is to occupy the dance gym or studio without permission. No student is permitted to use the Directors' computers, telephones, or copy machine without permission.**
- Take care of the equipment and uniforms you are using.
- Loud and boisterous activity by a Silver Star when in public is not appropriate.
- **PDA (Public Displays of Affection) will NOT be permitted in/near any dance facilities, on trips, or on official Silver Star functions.**
- Use of drugs, alcohol, and tobacco products is strictly forbidden and is grounds for dismissal from the team.
- Silver Stars will keep an exceptional appearance. Hair colors that are unnatural, hair styles that are distracting, and clothing that does not fall under Bowie High School dress-code are prohibited.
- While in uniform, there are to be no visible piercings. Spacers or band-aides must be used to cover up the piercing.
- The use of inappropriate language or profanity will not be tolerated.
- Silver Stars serve as good-will ambassadors for the school and community. Polite and courteous behavior is a credit to the Bowie High School Dance Department, the school, and to the parents. Be courteous and respectful at all times... there is always someone watching and listening.

Follow all school and district rules. Any infraction of conduct, attitude, or responsibility will be dealt with in one or more of the following manners:

1. Conference with student
2. Conference with parent
3. Conference with grade-level principal
4. Probationary contract
5. Expulsion from the Silver Stars organization
6. Other, as designated by the administration

Social Media Policy

As a Silver Star, you are expected to maintain a pristine appearance, both in person and online. At no time will a Silver Star infer or post anything online negative about the Silver Star Organization, fellow students, teachers, teammates, parents, Directors, Booster Club, or any contest or rehearsal outcome. Your presence on any social media platform is a direct reflection on the Silver Star Organization that will never be erased from the internet. What you post today, can be found years later and can become a detriment to your character and the Silver Stars. Negative online activity will not be tolerated by the Silver Stars organization.

Maintaining a higher standard of conduct will also include ensuring that drill team members' personal websites are appropriate. The internet is a worldwide, publicly accessible form of communication. Any communication such as but not limited to Snapchat, Twitter, Facebook, Instagram, inappropriate texting, etc... appearing on the internet is public domain, even if it is marked private. Silver Stars are responsible for their personal websites and postings, as well as postings on other students' websites. The areas of appropriateness will include, but are not limited to language (abbreviated or alluding to negative, lewd, vulgar, or obscene comments about any individuals), pictures, suggestive poses, clothing, and reference to alcohol, drugs, and tobacco products. Any "finstagram" or spam accounts made by Silver Stars will not be tolerated. Any drill team member who is caught with inappropriate, negative, lewd, vulgar, or obscene, sexual pictures, comments, or statuses on any social networks will be removed from the extra-curricular portions of the program for a time period established between the Directors and the Administration. Reinstatement will be evaluated after the end of the school year.

Alcohol, Drug, and Tobacco Policy

The Silver Stars pride themselves in being superior citizens to our community, to our school, and to ourselves. The possession, sale, distribution, or use, **of any amount** of alcohol, marijuana, hallucinogenic drugs, tobacco products, vaping or any other controlled substance is strictly prohibited. These offenses are not tolerated by our program. Any evidence (*public or private, including social networking sites, Facebook, Instagram, Twitter, Snapchat, etc.*) of the use or possession of alcohol, or illegal drugs at *any time* while a member of Bowie High School Silver Stars including weekends, evenings, holidays and summer will result in the following:

- If a Silver Star is involved in any incident (on or off campus) including drugs, alcohol, or tobacco, they will permanently lose their membership on the team for the remainder of the school year. Reinstatement will

be evaluated after the end of the school year.

- If a violation occurs on an official Silver Stars trip, the Silver Stars member will be sent home immediately at her own expense in accordance with school-wide travel policies.
- All principals and Directors are required to cooperate fully with law enforcement agencies and are to report to them any and all information that would be considered pertinent or beneficial in their efforts to stop the sale, possession, and use of illegal drugs and controlled substance.

An immediate student/parent conference with the Silver Stars Directors and the Bowie High School administration will occur. **No exceptions.** Possession or usage of these substances can have dire consequences for the student and also reflects upon the Silver Stars and Bowie High School. The Silver Stars member and their parents may be asked to enroll in an early intervention and prevention program. Attendance must be documented in writing and given to the Silver Star Directors. Any expense will be the responsibility of the Silver Stars member, parents, or guardians. The Silver Star will be permanently removed from the team.

A review board made up of the Silver Stars Directors and Bowie High School administrator shall make the determination of whether a violation of the Silver Stars Drug, Alcohol, & Tobacco Policy has occurred.

Bullying/Hazing

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose. Hazing is any action taken or any situation created intentionally that causes embarrassment, harassment or ridicule and risks emotional and/or physical harm to members of a group or team, whether new or not, regardless of the person's willingness to participate.

Bullying and/or Hazing are not tolerated by the Silver Stars organization. If you feel as if you are being bullied or hazed, please notify parents and Directors immediately. Anyone found to be bullying or hazing will be removed from the extra-curricular portions of the program for a time period established between the Directors and the Administration. Reinstatement will be evaluated after the end of the school year.

3. **Team Trip**– OPTIONAL additional expense. Fundraised or paid for on set trip payment schedule. (TBD)

Uniform Expenses

- A tentative list of uniform requirements is outlined for each student at the time of Silver Stars Auditions (this list is subject to change based on availability from our suppliers).
- All prices for uniform pieces are estimates based on expenses incurred the year before.
- Items marked with asterisks on the tentative uniform list may be purchased at half price from members who are leaving the team at our annual Silver Stars “Garage Sale” (boots and hats sold by old team members must be inspected and approved by the Directors for sale).
- Uniforms pieces should be paid for in full before the school year begins.
- Silver stars uniform expenses are non-refundable.

A payment plan is established that includes options for full payment or monthly payments. If any family is financially incapable of fulfilling the requirements for attire and equipment, parents should visit with the Directors to investigate opportunities for sponsorships and/or grants. There are several payment options for uniforms. You may pay in full for all items at the Silver Stars “Garage Sale” and “Merchandise Mall” or you may break payments into 2, 3, or 4 equal payments throughout the summer.

Fairshare Expenses

Fairshare payments are made to the Bowie Silver Stars for the purpose of team operations such as: contest entry fees, travel expenses, choreography expenses, bus rental, hotel rental, prop making or renting, costume buying/renting, Spring Show expenses, etc. Fair Share is due during the school year, as noted on the Silver Star Calendar via silverstars.org.

NOTE: The Directors create a budget for the Silver Stars each year based upon the number of participants and expenses incurred the year prior. The Fairshare must be paid IN FULL by the annual Spring Show date, unless arrangements have been made with the Directors. Any and all questions in regard to Fairshare, or any other financial matter, should be directed to the Directors.

If your student decides not to continue in the Silver Star program after the first two weeks of school or is removed at ANY time during the school year, they are obligated to pay the full Fairshare amount for the entire year.

It is the intention of the organization for each girl to fundraise to pay for all fair share expenses.

- The Silver Stars Organization sponsors three fundraising events
- The Silver Stars Booster Club sponsors several fundraising events
- The Fair Share amount will be set at the beginning of the school year

Optional Team Trip Expenses

- The Silver Stars take an optional trip every other year.
- Trips will include a competition, masterclass, or performance opportunity.

- Trips must be *paid in full* before the trip is taken.
- All uniform and Fair Share payments must be up to date before fundraised money can be used toward the trip.

Payments

- All uniform, Fair Share and trip payment checks should be made payable to: Bowie Silver Stars.
- All checks should include the Silver Star's name and the purpose for payment on the memo line.
- All expenses paid to the Bowie Silver Stars should be turned into the Directors for deposit.
- Payments should be made on time.
